RRP PRICELIST INFORMATION

This is a selection of popular products, all of which feature in our 2011 Brochure. Many of the items come in further variations that can be seen on our web-site – which shows the full range of all our products.

The prices given are for our 18 standard colours but we can produce furniture in any colour you like, including any of the F&B colours for a surcharge of 10%.

The fabric bands refer to our standard fabrics although we can also make up the fabric of your choice. Call our sales team for information on fabric requirement for customer's own material (COM) and use price band B for chairs and price band A for sofas.

If you would like samples of weave colours or fabrics or any other information, please call the sales team on 0207 7306574 (London showroom) or 01775 724358 (Head office) or send us an email at info@lloydloom.com.
